To the World Zionist Organization -  
American Section, Inc.  
New York, New York

We have compiled the accompanying statement of receipts and expenditures and related schedules (the "financial report") for the six month period ended June 30, 2012. We have not audited or reviewed the accompanying financial report and, accordingly, do not express an opinion or provide any assurance about whether the financial report is in accordance with accounting principles generally accepted in the United States of America.

The financial report has been prepared according to the cash basis, which is a comprehensive basis of accounting other than generally accepted accounting principles.

Management has elected to omit substantially all of the informative disclosures ordinarily included in financial statements prepared according to the cash basis of accounting. If the omitted disclosures were to be included in the financial report, they might influence the users' conclusions about the Organization's receipts and expenditures. Accordingly, the financial report is not designed for those who are not informed about such matters.

Management is responsible for the preparation and fair presentation of the financial report in accordance with accounting principles generally accepted in the United States of America, as adjusted for the cash basis referred to above, and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial report.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of the financial report without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial report.

Yours truly,
